

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

February 10, 2005

Mr. Dennis J. Eichelbaum
Schwartz & Eichelbaum
7400 Gaylord Parkway, Suite 200
Frisco, Texas 75034

OR2005-01246

Dear Mr. Eichelbaum:

You ask whether certain information is subject to required public disclosure under chapter 552 of the Government Code. Your request was assigned ID# 217761.

The Waxahachie Independent School District (the "district"), which you represent, received a request for fourteen categories of information relating to a specified incident. You state that you do not object to the release of some of the requested information, either because the district does not possess responsive information or because the responsive information is public information not subject to an exception under the Public Information Act. You claim the information responsive to the request for "[a]ll personnel records and files for each District employee involved in the Incident" is excepted from disclosure under sections 552.101, 552.102, 552.114, 552.117, and 552.135 of the Government Code.¹ We have considered the exceptions you claim and reviewed the submitted representative sample of the information requested.²

¹We note that the district claimed that the information responsive to the request for "[a]ll lists or other documents stating the identity of "informants" or other persons relied upon by any District officials ... in connection with the possession, use or trafficking of any illegal or controlled substances or any other contraband at any educational institution within the District" was excepted from disclosure. In a letter dated January 28, 2005, you inform this office that the district has no information responsive to this portion of the request.

²We assume that the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. See Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." This section encompasses information protected by other statutes. Section 21.355 of the Education Code provides, "A document evaluating the performance of a teacher or administrator is confidential." This office interpreted this section to apply to any document that evaluates, as that term is commonly understood, the performance of a teacher or administrator. Open Records Decision No. 643 (1996). In that opinion, this office also concluded that a teacher is someone who is required to hold and does hold a certificate or permit required under chapter 21 of the Education Code and is teaching at the time of his or her evaluation. *Id.* Similarly, an administrator is someone who is required to hold and does hold a certificate required under chapter 21 of the Education Code and is administering at the time of his or her evaluation. *Id.* Based on the reasoning set out in Open Records Decision No. 643, we conclude that some of the submitted documents are confidential under section 21.355 of the Education Code. Therefore, pursuant to section 552.101 of the Government Code, the district must withhold the documents that we have marked as confidential under section 21.355 of the Education Code.

You claim that the Health Insurance Portability and Accountability Act of 1996 ("HIPAA"), 42 U.S.C. §§ 1320d-1320d-8, excepts a portion of the submitted information from disclosure. At the direction of Congress, the Secretary of Health and Human Services ("HHS") promulgated regulations setting privacy standards for medical records, which HHS issued as the Federal Standards for Privacy of Individually Identifiable Health Information. *See* HIPAA, 42 U.S.C. § 1320d-2 (Supp. IV 1998) (historical & statutory note); Standards for Privacy of Individually Identifiable Health Information, 45 C.F.R. Pts. 160, 164 ("Privacy Rule"); *see also* Attorney General Opinion JC-0508 at 2 (2002). These standards govern the releasability of protected health information by a covered entity. *See* 45 C.F.R. pts. 160, 164. Under these standards, a covered entity may not use or disclose protected health information, except as provided by parts 160 and 164 of the Code of Federal Regulations. 45 C.F.R. § 164.502(a).

This office addressed the interplay of the Privacy Rule and the Public Information Act (the "Act"), chapter 552 of the Government Code. *See* Open Records Decision No. 681 (2004). In that decision, we noted that section 164.512 of title 45 of the Code of Federal Regulations provides that a covered entity may use or disclose protected health information to the extent that such use or disclosure is required by law and the use or disclosure complies with and is limited to the relevant requirements of such law. *See* 45 C.F.R. § 164.512(a)(1). We further noted that the Act "is a mandate in Texas law that compels Texas governmental bodies to disclose information to the public." *See* Open Records Decision No. 681 at 8 (2004); *see also* Gov't Code §§ 552.002, .003, .021. We therefore held that disclosures under the Act come within section 164.512(a) of title 45 of the Code of Federal Regulations. Consequently, the Privacy Rule does not make information confidential for the purpose of section 552.101 of the Government Code. Open Records Decision No. 681 at 9 (2004); *see also* Open Records Decision No. 478 (1987) (as general rule, statutory confidentiality requires express language making information confidential). Because the Privacy Rule does not make confidential information that is subject to disclosure under the Act, the district may withhold

requested protected health information from the public only if an exception in subchapter C of the Act applies.

Some of the records at issue are medical records, access to which is governed by the MPA, chapter 159 of the Occupations Code. Section 159.002 of the MPA provides:

(b) A record of the identity, diagnosis, evaluation, or treatment of a patient by a physician that is created or maintained by a physician is confidential and privileged and may not be disclosed except as provided by this chapter.

(c) A person who receives information from a confidential communication or record as described by this chapter, other than a person listed in Section 159.004 who is acting on the patient's behalf, may not disclose the information except to the extent that disclosure is consistent with the authorized purposes for which the information was first obtained.

The medical records must be released upon the patient's signed, written consent, provided that the consent specifies (1) the information to be covered by the release, (2) reasons or purposes for the release, and (3) the person to whom the information is to be released. Occ. Code §§ 159.004, .005. Section 159.002(c) also requires that any subsequent release of medical records be consistent with the purposes for which the governmental body obtained the records. Open Records Decision No. 565 at 7 (1990). Medical records may be released only as provided under the MPA. Open Records Decision No. 598 (1991). We have marked the documents to show which are medical records subject to the MPA.

Section 552.102(b) of the Government Code excepts from public disclosure "a transcript from an institution of higher education maintained in the personnel file of a professional public school employee." Gov't Code § 552.102(b). This section further provides, however, that "the degree obtained or the curriculum on a transcript in the personnel file of the employee" is not excepted from disclosure. Thus, except for the information that reveals the degree obtained and the courses taken, the district must withhold the submitted transcripts under section 552.102(b).

Section 552.117 of the Government Code excepts from disclosure the home addresses and telephone numbers, social security numbers, and family member information of current or former officials or employees of a governmental body who request that this information be kept confidential under section 552.024. Whether a particular piece of information is protected by section 552.117 must be determined at the time the request for it is made. *See* Open Records Decision No. 530 at 5 (1989). The district may only withhold information under section 552.117 on behalf of current or former employees who made a request for confidentiality under section 552.024 prior to the date on which the request for this information was made. Therefore, to the extent that the employees in question made a timely election under section 552.024, the district must withhold the information we have marked under section 552.117.

Even if an employee did not timely elect under section 552.024, the employee's social security number may also be excepted from disclosure under section 552.101 in conjunction with the 1990 amendments to the federal Social Security Act, 42 U.S.C. § 405(c)(2)(C)(viii)(I). *See* Open Records Decision No. 622 (1994). These amendments make confidential social security numbers and related records that are obtained and maintained by a state agency or political subdivision of the state pursuant to any provision of law enacted on or after October 1, 1990. *See id.* We have no basis for concluding that the social security numbers in the file are confidential under section 405(c)(2)(C)(viii)(I), and therefore excepted from public disclosure under section 552.101 on the basis of that federal provision. We caution, however, that section 552.352 of the Public Information Act imposes criminal penalties for the release of confidential information. Prior to releasing any social security number information, you should ensure that no such information was obtained or is maintained by the district pursuant to any provision of law, enacted on or after October 1, 1990.

In summary, the district must withhold the information we have marked as confidential under section 552.101 of the Government Code in conjunction with section 21.355 of the Education Code. Except for the information that reveals the degree obtained and the courses taken, the district must withhold the submitted transcripts under section 552.102(b). To the extent that the employees in question made timely elections under section 552.024, the district must withhold the information we have marked under section 552.117 of the Government Code. Even if the employees did not make timely elections under section 552.024, their social security numbers may be excepted under section 552.101 in conjunction with federal law. We have marked the medical records that may be released only as provided under the MPA. The remaining requested information must be released.

This letter ruling is limited to the particular records at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other records or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For example, governmental bodies are prohibited from asking the attorney general to reconsider this ruling. Gov't Code § 552.301(f). If the governmental body wants to challenge this ruling, the governmental body must appeal by filing suit in Travis County within 30 calendar days. *Id.* § 552.324(b). In order to get the full benefit of such an appeal, the governmental body must file suit within 10 calendar days. *Id.* § 552.353(b)(3), (c). If the governmental body does not appeal this ruling and the governmental body does not comply with it, then both the requestor and the attorney general have the right to file suit against the governmental body to enforce this ruling. *Id.* § 552.321(a).

If this ruling requires the governmental body to release all or part of the requested information, the governmental body is responsible for taking the next step. Based on the statute, the attorney general expects that, upon receiving this ruling, the governmental body will either release the public records promptly pursuant to section 552.221(a) of the

Government Code or file a lawsuit challenging this ruling pursuant to section 552.324 of the Government Code. If the governmental body fails to do one of these things, then the requestor should report that failure to the attorney general's Open Government Hotline, toll free, at (877) 673-6839. The requestor may also file a complaint with the district or county attorney. *Id.* § 552.3215(e).

If this ruling requires or permits the governmental body to withhold all or some of the requested information, the requestor can appeal that decision by suing the governmental body. *Id.* § 552.321(a); *Tex. Dep't of Pub. Safety v. Gilbreath*, 842 S.W.2d 408, 411 (Tex. App.—Austin 1992, no writ).

Please remember that under the Act the release of information triggers certain procedures for costs and charges to the requestor. If records are released in compliance with this ruling, be sure that all charges for the information are at or below the legal amounts. Questions or complaints about over-charging must be directed to Hadassah Schloss at the Texas Building and Procurement Commission at (512) 475-2497.

If the governmental body, the requestor, or any other person has questions or comments about this ruling, they may contact our office. We note that a third party may challenge this ruling by filing suit seeking to withhold information from a requestor. Gov't Code § 552.325. Although there is no statutory deadline for contacting us, the attorney general prefers to receive any comments within 10 calendar days of the date of this ruling.

Sincerely,

Amanda Crawford
